1. LICENSE TO USE. Sun grants you a non-exclusive and non-transferable license for the internal use only of the accompanying software and documentation and any error corrections provided by Sun (collectively "Software"), by the number of users and the class of computer hardware for which the corresponding fee has been paid.
2. RESTRICTIONS. Software is confidential and copyrighted. Title to Software and all associated intellectual property rights is retained by Sun and/or its licensors. Except as specifically authorized in any Supplemental License Terms, you may not make copies of Software, other than a single copy of Software for archival purposes. Sun warrants to you that for a period of ninety (90) days from the date of purchase, as evidenced by a copy of the receipt, the media on which Software is furnished (if any) will be free of defects in materials and workmanship under normal use. Except for the foregoing, Software is provided "AS IS". Your exclusive remedy and Sun's entire liability under this limited warranty will

be at Sun's option to replace Software media or refund the fee paid for Software.

4. **DISCLAIMER OF WARRANTY.** UNLESS SPECIFIED IN THIS AGREEMENT, ALL EXPRESS OR IMPLIED CONDITIONS, REPRESENTATIONS AND WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT ARE DISCLAIMED, EXCEPT TO THE EXTENT THAT THESE DISCLAIMERS ARE HELD TO BE LEGALLY INVALID.

5. **LIMITATION OF LIABILITY.** TO THE EXTENT NOT PROHIBITED BY LAW, IN NO EVENT WILL SUN OR ITS LICENSORS BE LIABLE FOR ANY LOST REVENUE, PROFIT OR DATA, OR FOR SPECIAL, INDIRECT, CONSEQUENTIAL, INCIDENTAL OR PUNITIVE DAMAGES, HOWEVER CAUSED REGARDLESS OF THE THEORY OF LIABILITY, ARISING OUT OF OR RELATED TO THE USE OF OR INABILITY TO USE SOFTWARE, EVEN IF SUN HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. In no event will Sun's liability to you, whether in contract, tort (including negligence), or otherwise, exceed the amount paid by you for Software under this Agreement. The foregoing limitations will apply even if the above stated warranty fails of its essential purpose.

6. **Termination.** This Agreement is effective until terminated. You may terminate this Agreement at any time by destroying all copies of Software. This Agreement will terminate immediately without notice from Sun if you fail to comply with any provision of this Agreement. Upon Termination, you must destroy all copies of Software.

11. **Integration.** This Agreement is the entire agreement between you and Sun relating to its subject matter. It supersedes all prior or contemporaneous oral or written communications, proposals, representations and warranties and prevails over any conflicting or additional terms of any quote, order, acknowledgment, or other communication between the parties relating to its subject matter during the

- (i) internally reproduce and use the binary form of Software; and
- (ii) host Software for third parties, provided that you: (a) only permit access to Software subject to an agreement that protects Sun's interests consistent with the terms contained in this Agreement; and (b) agree to defend and indemnify Sun and its licensors from and against any damages, costs, liabilities, settlement amounts and /or expenses (including attorneys' fees) incurred in connection with any claim, lawsuit or action by any third party that arises or results from the hosting of Software.

For the purposes of this section, internal use includes deployment of Software in a production environment.

B. Redistribution. This Agreement does not grant you the right to redistribute Software. Please refer to the following URL for information regarding the redistribution of Software if you are interested in redistribution: http://sun.com/software/products/appsrvr/appsrvr_oem.html

2. Additional Use Conditions

A. Whenever you are explicitly permitted to copy or reproduce all or any part of Software, you shall reproduce and not efface any and all titles, trademark symbols, copyright symbols and legends, and other proprietary markings on or accompanying Software. You acknowledge and agree as between you and Sun that Sun owns the SUN, SOLARIS, JAVA, J2EE, JINI, FORTE, STAROFFICE, STARPORTAL and IPLANET- related trademarks, service marks, logos and other brand designations ("Sun Marks"), and you agree to comply with the Sun Trademark and Logo Usage Requirements currently located at <http://www.sun.com/policies/trademarks>. Any use you make of the Sun Marks inures to Sun's benefit.

B. Software may contain source code that is provided solely for reference purposes pursuant to the terms of this Agreement. Source code may not be redistributed unless expressly provided for in this

Agreement.

C. "Bundled Software" means any and all additional software bundled with or embedded in the Software (including without limitation the Java Development Kit), if any, and delivered to you as part of the Software. You may not use any Bundled Software on a stand-alone basis or use any portion of the Bundled Software to interoperate with any program other than the Software. Except for this restriction and those found below, the use of each such bundled or embedded product shall be governed by its license agreement. If you desire to use such Sun or third party products on a stand-alone basis, you must purchase a separate license permitting such use.

D. You may copy and use the header files and class libraries ("Redistributables") solely to create and distribute programs to interface with Software APIs ("Programs") only as explicitly provided in Software documentation provided that you (i) distribute the Redistributables complete and unmodified and only bundled as part of your Programs, (ii) do not distribute additional software intended to replace any component(s) of the Redistributables, (iii) do not remove or alter any proprietary legends or notices contained in the Redistributables, (iv) only distribute the Redistributables subject to a license agreement that protects Sun's interests consistent with the terms contained in this Agreement, and (v) agree to defend and indemnify Sun and its licensors from and against any damages, costs, liabilities, settlement amounts and/or expenses (including attorneys' fees) incurred in connection with any claim, lawsuit or action by any third party that arises or results from the use or distribution of any and all Redistributables and/or Programs.

E. You may not modify the Java Platform Interface ("JPI" identified as classes contained within the "java" Package or subpackages of the "java" package), by creating additional classes within the JPI or otherwise causing the addition to or modification of the classes in the JPI. In the event that you create an additional class and associated API(s) which (i) extends the functionality of the Java platform, and (ii) is exposed to third party software developers for the purpose of developing additional software which invokes such additional API, you must promptly publish broadly an accurate specification for such API for free use by all developers. You may not create, or authorize your licensees to create additional classes, interfaces, or sub-packages that are in any way identified as "java", "javax", "sun" or similar convention as specified by Sun in any naming convention designation.

F. You shall have the sole responsibility to protect adequately and backup your data and/or equipment used in connection with the Software. You shall not claim against Sun or its licensors for lost data, re-run time, inaccurate output, work delays or lost profits resulting from your use of the Software.

G. Software contains application Testing software components ("Verifier") for your convenience. However, you may not use the Sun tagline "J2EE(TM) Verified" or similar phrase designated by Sun to indicate your application's satisfaction of the J2EE Application Verification Criteria ("verification Tagline") based on the use of Software or Verifier under this Agreement. To obtain the right to use a Verification Tagline, you must license the J2EE Application Verification Kit from Sun, pay applicable fees, and execute a separate trademark license for the Verification Tagline.

H. Refer to the appropriate version of the Java Runtime Environment binary code license (currently located at <http://www.java.sun.com/j2se>) for the availability of runtime code which may be distributed with your applications.

I. Termination for Infringement. Either party may terminate this Agreement immediately should any Software become, or in either party's opinion be likely to become, the subject of a claim of infringement of any intellectual property right.

J. You acknowledge that at your request or consent optional features of the Software may download, install, and execute applets, applications, software extensions, and updated versions of the Software from Sun ("Software Updates"), which may require you to accept updated terms and conditions for installation. If additional terms and conditions are not presented on installation, the Software Updates will be considered part of the Software and subject to the terms and conditions of the Agreement.

K. You acknowledge that, by your use of optional features of the Software and/or by requesting services that require use of the optional features of the Software, the Software may automatically download, install, and execute software applications from sources other than Sun ("Other Software"). Sun makes no representations of a relationship of any kind to licensors of Other Software. TO THE EXTENT NOT PROHIBITED BY LAW, IN NO EVENT WILL SUN OR ITS LICENSORS BE LIABLE FOR ANY LOST REVENUE, PROFIT OR DATA, OR FOR SPECIAL, INDIRECT, CONSEQUENTIAL, INCIDENTAL OR PUNITIVE DAMAGES, HOWEVER CAUSED REGARDLESS OF THE THEORY OF LIABILITY, ARISING OUT OF OR RELATED TO THE USE OF OR INABILITY TO USE OTHER SOFTWARE, EVEN IF SUN HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. Some states do not allow the exclusion of incidental or consequential damages, so some of the terms above may not be applicable to you.

L. You may not publish or provide the results of any benchmark or comparison tests run on Software to any third party without the prior written consent of Sun.

M. Additional copyright notices and license terms applicable to portions of the Software are set forth in the THIRDPARTYLICENSEREADME file. In addition to any terms and conditions of any third party open-source/freeware license identified in the THIRDPARTYLICENSEREADME file, the Disclaimer of Warranty and Limitation of Liability provisions in paragraphs 4 and 5 of the Binary Code License Agreement shall apply to all Software in this distribution.
